

Says Officials  
Asked Her To  
Be "Hazy" In  
Profits Probe

By JOHN W. HENDERSON  
Washington, July 23 (AP) —  
Red-haired Jean Bates, former  
secretary in the Washington  
office of a munitions combine,  
said today that Joseph Free-  
man and Henry Garsson had  
asked her to be "hazy" in tes-  
tifying before the Senate War In-  
vestigating committee.

She testified that Freeman and  
Garsson, officials in the combine,  
had attempted to "play upon my  
sympathy" when she met their re-  
quest with a refusal to "perjure  
myself."

They were particularly anxious,  
she said, to prevent her from tel-  
ling the committee, under oath, that  
she had seen Albert Jacobson,  
\$9,975-a-year War department con-  
sultant, in the combine's Washing-  
ton office.

**Claimed "Social Call"**  
Judge Samuel Dickstein of the  
New York Supreme court testified  
that it was possible that he had  
called the Washington office of the  
combine, but only on a social mat-  
ter.

Dickstein formerly was chairman  
of the House Immigration commit-  
tee. He said he had no recollection  
of having talked to Murray Garsson,  
one of the promoters of Erie and  
Associated companies now under war  
profits investigation, but added that  
he "may have talked to Joe Free-  
man." Joseph Freeman was Wash-  
ington representative of Erie.

The committee meanwhile held  
out to Rep. May (D-Ky.) an offer  
to meet "morning, noon or night"  
so he may testify without inter-  
ference with his duties as a legis-  
lator.

**To Accommodate May**  
Chairman Mead (D-NY) extend-  
ed it after Senator Ferguson  
(R-Mich) suggested that an early  
morning or night session might ac-  
commodate May.

"The committee," Mead told re-  
porters, "will extend every courtesy  
in its power by setting a date con-  
venient to the Chairman of the  
House Military Affairs committee.  
I hope that he will put in his ap-  
pearance very promptly."

The committee sent May a sub-  
poena to appear today, but instead  
of his appearance it got word that  
he was "too busy" with legislative  
matters to comply. As a member of  
Congress, he can ignore the com-  
mittee's subpoena with immunity,  
at least while the lawmakers are  
in session.

May, whose name has been brought  
repeatedly into the committee's in-  
vestigation of war profits made by  
a midwestern munitions combine,  
said he might be able to appear "at  
an early date."

"There is not and never has been,"  
he asserted, "an iota of doubt about  
my desiring an opportunity to reply  
fully to innuendoes, insinuations,  
deductions and the like which have  
resulted from the hearings before  
the Mead committee."

With May taking that attitude,  
the committee turned back to other  
witnesses. It recalled Major Gen.  
Alden H. Walt, chief of the chemi-  
cal warfare service. Mead said Walt  
would be asked why the War De-  
partment attempted to "whitewash,"  
as Mead described it, the relations  
between the department and the  
munitions group.

BULLETINS

Buenos Aires, July 23 (AP)—Reports  
from Asuncion indicated today that  
Paraguay was undergoing a change  
of government as a result of the  
successful civilian revolution in  
Bolivia, her neighbor to the north-  
west.

There was no word of violence, but  
President Higinio Morinigo was  
said to have asked permission from  
the armed forces to resign and  
leave for Brazil.

Washington, July 23 (AP)—OPA,  
dead for 23 days, may be born again  
before midnight. Administration  
leaders drove hard to get the House  
and Senate okay that would put  
the compromise legislation on Pres-  
ident Truman's desk by nightfall.  
The president's signature then could

EXPECT 2,000  
AT FIELD DAY  
FOR FRUITMEN

Upwards of 2,000 fruit growers  
from Adams, Cumberland, Franklin,  
Lancaster, York and other Penn-  
sylvania counties, together with  
delegations from fruit-growing  
areas in Maryland, Virginia and West  
Virginia, are expected to attend the  
annual Adams County Fruit Growers  
field day and spraying demonstra-  
tion Wednesday.

A full day is planned, with as-  
sembly scheduled for 9:30 a. m. at  
the South Mountain fair ground.

MILES HORST

near Arendtsville, and a talk at 10  
o'clock by J. O. Pepper, State Col-  
lege, on the mechanics of spraying.  
The attendance of Miles Horst, state  
secretary of agriculture, Harris-  
burg, and Dr. L. E. Jackson, dean  
of the school of agriculture at State  
College, is also scheduled, and talks  
will be given by them at 11 a. m.

A basket luncheon will follow,  
and by 12:50 p. m. the start will be  
made for the afternoon spraying  
demonstrations at the orchards of  
William Oyer, between Arendtsville  
and McKnightstown. A row of 25-  
year-old York Imperial apple trees  
will be used, and spectators will view  
the demonstrations from an open  
field adjoining on the property of  
George Oyer. The demonstrations  
are scheduled to start at 1 o'clock  
sharp.

Miss Kump Returns  
To Studies At Temple

Miss Freda Kump, daughter of  
Mr. and Mrs. John Kump, Fairfield,  
arrived safely by plane in Los  
Angeles Monday, she notified her  
parents today. The plane was de-  
layed four hours by storms.

Miss Kump was returning to her  
four-year studies at Life Bible col-  
lege at Angelus Temple following  
a month's vacation after the com-  
pletion of her first year's work in  
preparation for the ministry in the  
Foursquare gospel church. She is  
a member of the local church of that  
denomination. Miss Kump is a  
graduate of the Fairfield high school  
in the class of 1941 and later  
studied at a Harrisburg business  
college.

**INSTALLS PASTOR**  
Rev. Howard Schley Fox installed  
the Rev. Mark B. Michael Sunday  
evening as pastor of the McCon-  
nellsburg-Fort Loudon charge. The  
service was held in St. Paul's Evan-  
gelical Reformed church, McCon-  
nellsburg.

Price Of Ice Cream Cones, Sodas  
And Other Sweets Are Increased

Now stop that crying youngsters  
It's your turn on inflation's pan  
You'll take your financial licking  
And you'll take it like a man

Yep, kiddies, from one to one  
hundred, it's aggonia cost you six  
cents most places when you stop  
in for a nice cool delicious ice cream  
cone these days.

Or if it doesn't cost more than  
a nickel you're going to notice that  
the amount of ice cream is much  
smaller on top of the cone than  
heretofore.

Kid sister, who likes her sundaes  
thick with goo and nuts will find  
the ice cream a little more difficult  
to find under the mixture, and prob-  
ably a little less of the mixture on  
top.

Pop, who drops in for a short  
chocolate in mid-morning is going  
to find in many places that the  
"short chocolate" just does not live

Stage Set For  
5th Atom Bomb

(By The Associated Press)  
Barring last minute changes,  
the earth's fifth atomic bomb ex-  
plosion will occur at 8:35 a. m.  
Thursday, July 25, Bikini time.  
That will be 4:35 p. m. Wednes-  
day, Eastern Standard Time.

A forecast of good weather  
gave promise the program will  
be carried out as planned.

Seventy-five ships in Bikini  
lagoon are ready. Near the det-  
onation center are the battleship  
Arkansas and the carrier Sara-  
toga. Next is the battleship New  
York, with four landing craft be-  
hind her.

About a dozen miles away will  
be the observers, army and navy  
men, scientists, working news-  
papermen and notables.

Drones planes with scientific  
instruments will fly through the  
water plume. Other planes will  
be in the immediate vicinity.

Speedboats will be ready to  
dash through the lagoon before  
radio-activity diffuses. Others  
will wait for radio-activity to  
subside — perhaps five days.

EXPLAINS HOW  
VEHICLE TIRES  
ARE REPAIRED

According to the best information  
he has been able to receive the  
amount of crude rubber in tires  
will soon be increased, Donald Reel,  
local tire shop operator, told mem-  
bers of the Rotary club at the  
regular meeting of the group in the  
YWCA Monday evening.

At present, he said, only about  
two per cent of the rubber in tires  
is crude rubber and that is mostly  
in the carcass of the tire.

Describing the methods employed  
in repairing and recapping tires,  
Reel pointed out that the tire  
"doctors" have adopted one of the  
instruments of the medical doc-  
tors in their examination of tires  
for "illnesses." The stethoscope  
used by the doctor is also used by  
the tire repairman to listen to the  
"inner workings" of the tire, he  
added.

How Tires Are Tested

Before a tire is recapped or re-  
paired an examination is made to  
see whether the tire shoulders may  
have become loose, or if there are  
loose plies or a ply separation. To  
make the test a vibrating tapper is  
placed inside the tube and a stetho-  
scope is moved about outside the  
tire above the tapper. When a sepa-  
ration is present the vibrator sound  
is muffled and thus the "ill" spot  
is found.

Reel started in the tire business  
here in 1938 as a general tire shop  
owner and later branched into the  
recapping business.

Motorists Face  
Police Charges

H. Wayne Cluck, York, has been  
charged before Justice of the Peace  
W. D. Brown, Straban township,  
with failure to stop at a stop sign.  
The charge was laid by state police.

Other arrests made by state po-  
lice include Samuel Richard Disling,  
Harrisburg, charged before Justice  
Brown with speeding at 65 miles  
per hour, and Herman H. Bankert,  
Spring Grove R. 1, charged before  
Justice Brown with having no muf-  
fler on his vehicle. Ten-day notices  
were sent in all cases.

TWO MID-TOWN  
BUSINESS SITES  
CHANGING HANDS

Two local business properties are  
in the process of changing hands.

Col. Stewart H. Moyer and Ken-  
neth M. Knox, owners of the Get-  
tysburg News Agency, have taken  
an option to buy the John H. Brehm  
property on Chambersburg street.

Mares Sherman, York street mer-  
chant, has purchased the Sachs  
apartments building, in which his  
store, 18 apartments, the F and T  
restaurant and the market house  
are located, from Luther I. Sachs,  
Locust avenue, local contractor and  
builder. He will take possession Au-  
gust 1.

Mr. Brehm, democratic nominee  
for election as congressman from  
the York-Adams-Franklin district,  
said today he did not know whether  
he will continue the tailor business  
in which he has engaged here in  
Gettysburg for more than 40 years.

Plans Not Final

Arriving in Gettysburg in 1905,  
Mr. Brehm started in business as  
a partner of the late William Selig-  
man in the quarters now occupied  
by the Shoe Box. They called their  
establishment "The Quality Shop."  
Later he went into business by him-  
self as Brehm, the Tailor in the  
First National bank building. Prior  
to that he was at the present site  
of Shuman's drug store. Later, in  
1930, he moved to his present store  
on Chambersburg street, after pur-  
chasing the building in 1929. His  
business was also located at various  
times in other Chambersburg street  
buildings.

Whatever decision he makes on  
whether to remain in the tailoring  
business will depend on what type  
of help he can employ and the ob-  
taining of another store. Mr. Brehm  
said today. Possession will be given  
to Messrs. Moyer and Knox on Se-  
ptember 1 and after that he plans  
an intensive political campaign until  
election time.

It was not known today whether  
the Gettysburg News Agency will  
move to the Brehm building pending  
word from Colonel Moyer, now sta-  
tioned at Ft. Bragg, N. C. Tenants in  
the Brehm building include Dr. J. C.  
Donley, Dr. C. H. Heidt and a beauty  
shop. Mr. Brehm plans to keep his  
apartment in the building.

CLOSE CHAPEL  
AT PROTECTORY

In order to shorten the duration  
of the quarantine placed upon the  
Paradise Protectory, near Abbotts-  
town, because of the appearance  
there of two diphtheria cases early  
this month, the Rev. William B.  
Cavanaugh, chaplain and pastor of  
the Paradise Catholic parish, has  
announced that the regular Sunday  
masses for parishioners outside the  
protectory, which have been taking  
place in the chapel for some time  
until the parish church is repaired,  
will not take place on July 28 and  
August 4. Parishioners were in-  
structed to attend mass on those  
Sundays at the Catholic church in  
New Oxford, Hanover, or elsewhere  
in the diocese.

Father Cavanaugh wishes it par-  
ticularly understood that no new  
cases of diphtheria have been even  
suspected for several weeks, but be-  
lieved that the barring of outsiders  
from the premises would shorten  
the quarantine period. The chapel  
has been closed during the precau-  
tionary period and mass has been  
offered in the outdoor pavilion on  
the protectory grounds.

The pastor stated that there was  
no reason for the quarantine to  
postpone the annual "Paradise pic-  
nic" for the benefit of the church  
since it is to take place at the  
Farmers' Grove, and will not be  
attended by the boys from the in-  
stitution. The original date, Sat-  
urday afternoon and evening, Au-  
gust 3, will stand. Already, many do-  
nations of foodstuffs and cash for  
the use of the picnic have been  
made by parishioners. It is not yet  
definitely known whether the newly  
appointed pastor, the Rev. Chester  
Loszewski, a veteran of the army  
chaplain service, will arrive by Au-  
gust 3 at Paradise. Father Cava-  
naugh was notified early in July of  
his transfer to the Catholic parish  
at Middletown.

Elected To Teach

Give Lions Report  
On Phila. Convention

C. Paul Cesena and Fred Wilkins,  
who represented the Gettysburg  
Lions club at the annual conven-  
tion of Lions International at Philadel-  
phia last week, reported Monday to  
the local club members on the ses-  
sions which were attended by Lions  
from 17 foreign countries including  
most Central and South American  
countries and China. The reports  
were given at the weekly dinner  
meeting of the local service club at  
Woodlawn park.

President Milton R. Rimmel pre-  
sided at the meeting with 43 Lions  
and guests. A softball game preceded  
the session.

Littlestown  
FINAL PLANS ON  
"HOMECOMING"  
AT LITTLESTOWN

The general committee in charge  
of the Homecoming celebration for  
World War II veterans of Little-  
town and vicinity met Monday eve-  
ning to discuss last-minute details  
in connection with the affair.

No changes were made in the  
program of events from that pre-  
viously announced. A slight change  
in the route of the parade was  
made. It will go to Frederick street  
from M street by way of Charles  
street and the T. S. Blocher alley.  
The parade will be in three divi-  
sions.

LeRoy M. Wintrod, chairman of  
the parade committee, announced  
that so far the following have in-  
dicated their intention to enter floats  
in the parade: Windsor Shoe com-  
pany, Blue Ridge Rubber company,  
Shiriver Canning company, Littleton  
Shoe, Strouse-Baer Clothing com-  
pany, Keystone Cabinet, Prince  
street, Jones Clothing, and Zerling  
hardware. Several others are ex-  
pected to enter floats also. The re-  
port did not include the rural areas,  
which are expected to account for  
a number of floats. A parade simi-  
lar to that held on V-J Day is  
planned, and all those intending to  
enter floats are asked to notify Mr.  
Wintrod in order that the mar-  
shals may complete the lineup of  
the parade.

Three Bands

There will be at least three bands  
in the parade. The Boy Scouts and  
Girl Scouts will be put in the first  
division, so they may fall out in  
time to witness the parade. Veter-  
ans are asked to march with the  
members of the Littlestown Ameri-  
can Legion post, preferably in uni-  
form. (Please Turn to Page 2)

Catholic Scouts  
Plan Activities

Activities for the coming year  
were planned Monday evening at  
a meeting of the Catholic Boy  
Scout Troop committee in the re-  
ctory of St. Francis Xavier Catholic  
church.

A series of six vocational pro-  
grams was arranged to be held  
throughout the year, a fathers-sons  
overnight camp will be held, prob-  
ably at Camp Conewago; trips to  
Washington and Mother Seton's  
tomb at Emmitsburg will be held,  
among other events listed for the  
year. This Sunday the troop plans  
to attend Holy Communion in a  
body in observance of the 15th an-  
niversary of the organization of  
the outfit.

Dr. Joseph H. Riley, chairman of  
the troop, presided at the com-  
mittee session.

Crippled Children's  
Group Gifts Mount

Additional donations to the Adams  
County Society for Crippled Chil-  
dren were announced today that  
brought the total for the current  
campaign to \$896.

The latest contributors include  
the following who gave \$5 each:  
The Business and Professional Wom-  
en's club, Cloyd Crouse, John F.  
Klinefelter, Howard A. Stonerfer,  
and Dr. R. D. Wickerham; \$2 gifts  
from Dunning Idle and "a friend;"  
and \$1 each from Charles W. Jacobs  
and William P. Jacobs.

Reunion of Myers  
Family August 3

The twenty-third reunion of the  
Myers family will be held at Forest  
park, Hanover, Saturday, August 3.  
The program includes games and  
contests in the morning at 10:30  
o'clock eastern daylight saving time,  
a box luncheon at noon, and ad-  
dresses, musical numbers and busi-  
ness session in the auditorium at  
2 p. m.

The principal address will be  
given by Prpf. Frank E. Berkeimer,  
assistant county Superintendent of  
Schools of Cumberland county, for-  
merly supervising principal of  
schools, Lemoine.

20 ENROLLED  
IN VETS' FARM  
TRAINING PLAN

The GI farm training program  
now has 20 enrolled in Adams coun-  
ty, Richard C. Lighter, three-county  
director of the program, reported to  
the Adams county board of school  
directors Monday night.

The program opened on June 15  
with 17 enrolled, Mr. Lighter said.  
On July 1 one was dropped, and  
another was dropped on July 15. On  
the latter date three were added  
and on August 1, two more will be  
added, he said.

Three applications have been re-  
jected, after 33 farm visits, because  
the applicants showed no farm  
projects, Mr. Lighter reported. There  
are three teaching centers: Bigler-  
ville, with nine enrolled, Gettysburg,  
with seven, and New Oxford with  
two receiving class room instruc-  
tion.

"All of the GI's now taking the  
classroom and on-the-farm instruc-  
tion are very much interested," Mr.  
Lighter said, "so much that they  
come to classes ahead of the sched-  
uled time. They are anxious not to  
miss anything."

Mr. Lighter cited the case of one  
former GI who, he said, threshed all  
day, then changed his clothes and  
rushed to class without any supper  
so that he would not be late.

"These men are anxious to get  
themselves established in farming,"  
he emphasized. "The program is  
turning out to be very successful."  
All but one of the men receiving the  
training are self-employed, some in  
partnership with their fathers. One  
is receiving instruction as an ap-  
prentice.

Former Wacs, Air  
Units Are Sought

Uncle Sam's Army is looking for  
men who would like to become part  
of the airborne troops and former  
Wacs who would like to spend at  
least a year in the European Theater  
of Operations, Sgt. Walter Stubbs,  
local recruiting officer, announced  
today.

The former Wacs can sign up  
prior to August if they are stenog-  
raphers, clerks, telephone operators  
and the like. Any former Wac with  
one of the following MOS numbers,  
213, 055, 212, 237, 405, 502, 650, 805  
or 835 is eligible.

The government is seeking re-  
placements for the 11th Airborne in  
the Pacific and the 83rd Airborne  
in the United States either of which  
can be chosen on three-year enlist-  
ments. Or an 18-month enlistment  
can be taken, according to Sergeant  
Stubbs, for those who wish to go  
airborne unassigned.

Incidentally, the sergeant added,  
former soldiers can still enlist in  
grade, but he warned, such a condi-  
tion will not last forever.

Scouts Make Trip  
To Baltimore Monday

Twenty-five Boy Scouts, all mem-  
bers of Troop 76, and some friends,  
took part Monday in a trip to Balti-  
more and points along Chesapeake  
bay.

Led by George Griffith, the Rev.  
Floyd A. Carroll and T. D. Hay, the  
group left early Monday for Balti-  
more where they boarded the S. S.  
Bay Belle and sailed down the bay  
to Betterton where they were met  
by a representative of the scout  
troop there, whose guests they were  
for four hours. The group returned  
by boat to Baltimore and then by  
bus to Gettysburg Monday night.

20 Jews Detained In  
Jerusalem Blast Probe

Jerusalem, July 23 (AP)—A police  
spokesman announced today the de-  
tention of about 20 Jews in connec-  
tion with the terrorist bombing which  
left 98 persons dead or miss-  
ing.

The known dead mounted to 48.  
Military rescue crews who toiled  
in the debris of the hotel, the seat  
of British Army headquarters and  
the secretariat of the Palestine gov-  
ernment, reported that 41 bodies  
had been recovered and seven others  
located. Fifty persons were unac-  
counted for.

The police spokesman said that,  
although most of the party which  
planted milk cans of explosives were  
Arab dress, all the evidence indic-  
ated they were young Jews. Eye-  
witnesses said the attackers spoke  
Hebrew. The spokesman said a  
search was "going on right now in  
the old city of Jerusalem."

Hospitals reported that 50 persons  
were still undergoing treatment for  
injuries and that dozens of others  
had been treated for minor wounds.

The Palestine government said  
the missing included 12 senior Brit-  
ish officers of the government sec-  
retariat.

Here And There  
News Collected At Random

**Rowdism and disorderly con-  
duct on the streets of Gettys-  
burg will cease or perpetrators  
of this nuisance will pay heavy  
fines and eventually serve jail  
sentences. This also applies to  
speeders.**

This is the ultimatum handed  
down by Chief of Police Robert  
C. Harpster.

"This applies to everybody,  
young and old, residents and  
non-residents," said Chief  
Harpster this morning.

"For many weeks we have  
been lenient with those fellows  
who like to stay up half the  
night and carry on. We've  
warned them that arrests will  
be made if the noises persist.  
Now we are going to call a halt.  
Every violator is going to be  
arrested regardless of who he is.  
We'll fill the jail every night if  
need be to break up this rowdy-  
ism. If that doesn't work I'll  
ask that each violator be given a  
jail sentence instead of a fine."

That's the way the story stacks  
up today.

Chief Harpster means busi-  
ness.

Last week-end he called out  
his entire force, several of the  
officers working overtime, and  
started to clean up the nuisance.

More than 20 violators, in-  
cluding those apprehended for  
motor code violations, felt the  
whip lash of the chief's ire.

Officers patrolled the town on  
foot and in the police car. At  
the first sign of an outbreak  
police pounced on the rowdies  
and broke it up or nabbed the  
culprits. It wasn't long before  
they were back.

ELECT NEW DIRECTORS

George S. Young, a director of  
the Gettysburg Gas Corp., has been  
elected to the board of directors of  
the Columbia Gas & Electric Corp.

Gettysburg Publicity  
In West Indies Paper

That the pictures made of Presi-  
dent Truman on the Gettysburg  
battlefield on July 6 have been  
widely used in the world press is  
indicated by the fact that Henry J.  
Smith, West Lincoln avenue, has  
received a copy of a Netherlands  
West Indies newspaper, "Beurs-en  
Nieuwsberichten," dated July 12,  
and carrying on its back page a  
two-column picture of President  
Truman and newsmen at the Vir-  
ginia memorial.

form. Citizens are asked to decorate their homes and business places for the occasion. Most of the business places will close during the parade, but no general holiday has been planned. Souvenir programs, containing the names of 873 veterans from Littlestown and vicinity, will be distributed to each of the veterans. They may be received Saturday by contacting Clarence J. Kriehien at Zerfing's hardware, or P. Emory Weaver at the Littlestown State store. Any veteran unable to secure a program Saturday may get one at the American Legion Home on Sunday, or at any later date when the post home is open.

HELPS INSTALL PASTOR

The Rev. John C. Brumbach, pastor of Christ Reformed and St. Luke's Reformed churches, Littlestown, preached the installation sermon for the Rev. Mark B. Michael in St. Paul's Reformed church, McConnellsburg, Sunday evening. The Reverend Michael is the third of three young men confirmed by the Reverend Brumbach who has entered the ministry of the Evangelical and Reformed church. He was confirmed by the Reverend Brumbach in 1934 in Trinity Reformed church, Dalmatia, Pa. The Reverend Michael is a graduate of Catawba college, Salisbury, N. C., and was graduated on June 19 from the Reformed Theological seminary, Lancaster. He was recently elected pastor of the McConnellsburg-Fort Loudon charge, and began his ministry there on July 14.

The installation service was in charge of the Rev. H. S. Fox, pastor of Trinity Reformed church, Gettysburg, and president of Mercersburg synod. In addition to preaching the installation sermon, the Reverend Brumbach read the charge to the congregations. The service of installation was conducted by the Rev. John C. Sanders, Marion, Pa., who is pastor of the Grindstone Hill and Marion Reformed churches, and is also secretary of the Mercersburg synod.

The service was largely attended, as the ministers of McConnellsburg cancelled their union vesper service in order that they and their members could attend. The Reverend Brumbach was accompanied on the trip to McConnellsburg by Mrs. Brumbach and daughter Audrey Ellen.

News Briefs

The weekly Sunday evening union vesper service, sponsored by the Littlestown Ministerium, was held in the Methodist church, due to the inclement weather. The services are usually held in the Crouse park pavilion. The service was conducted by the Rev. Kenneth D. James, pastor of St. John's Lutheran church. The Rev. C. B. Rebert read the scripture, and prayer was offered by the Rev. David S. Kammerer, pastor of St. Paul's Lutheran church. The Reverend James preached on the topic "A Real Warning." The choir of St. John's led in the music, and sang an anthem. The invocation was pronounced by the Reverend James.

Mr. and Mrs. Willis Collins and son, James, and John Smith, Elizabethtown, visited Friday at the home of Mr. Collins' brother-in-law and sister, Mr. and Mrs. LeRoy Bish, and his parents, Mr. and Mrs. Paul Collins.

The Rev. Kenneth D. James has announced that a service of Thanksgiving will be held in St. John's Lutheran church Saturday morning at 10 o'clock in connection with the veterans' Homecoming celebration.

Mrs. Thomas O. Weaver is visiting at the home of her son and daughter-in-law, Mr. and Mrs. Dale E. Weaver, Westminster, Md.

Mrs. Richard Yohe and son, Richard, Jr., and Miss Jacqueline Berry, Lock Haven, returned home Sunday after spending a week at the home of Mrs. Yohe's brother-in-law and sister, Mr. and Mrs. LeRoy Bish and family, and with Mrs. Yohe's parents, Mr. and Mrs. Paul Collins.

State President Addresses PCBL

Augustus A. Krimmel, Jr., Lancaster, president of the Pennsylvania Catholic Beneficial League, was a speaker Monday evening at a meeting of the Queen of Peace Council of the PCBL held in the social rooms of St. Francis Xavier Catholic school.

Other state officers of the organization who also spoke at the session included James A. Eckenroth, Lebanon, Lancaster; Mrs. Lucy Heimeiz, Lancaster, formerly of Gettysburg, secretary, and J. Raymond Hartnet, director.

Thirty members attended the session at which the vice president, Mrs. George Eberhart, presided. Refreshments were served following the meeting and a game period was held.

DIVORCE GRANTED

A divorce was granted July 18 in the Frederick county courts in the case of Charles B. Shorb, Emmitsburg, against Gladys (Burgess) Shorb, now of Rocky Mount, N. C. Mr. Shorb formerly lived here.

DEATH

Harry E. Bare

Post mortem examination has revealed that Harry E. Bare, of Bair, York county, who had been injured July 15 in an auto crash, died of bronchial pneumonia. County Coroner Lester J. Sell said Monday.

Coroner Sell said an inquest may be held after state police and he complete an investigation.

The post mortem examination was conducted Monday morning by Dr. Lewis C. Pusch, York hospital pathologist. Mr. Bare died Sunday at the York hospital, where he had been a patient since the accident.

Mr. Bare suffered lacerations of the face, possible fracture of the left leg and other injuries when the car in which he was riding collided with a truck on the Spring Grove-Lehman road, a half mile south of Spring Grove, July 15.

A charge of driving too fast for conditions was lodged against Hinkle, the driver of the truck, by state police.

Mr. Bare, who was 59, is survived by a son, Samuel A. Bare, Abbotstown; a daughter, Mrs. Treva Snyder, Hanover R. D. 3; a brother, Leo Bare, Hanover, and one sister, Mrs. Anna Bentz, West York. He was the husband of the late Daisy Forry Bare.

He was a member of the Bair Community fire company and had operated a brass foundry at Bair for the past 25 years.

Funeral services Wednesday afternoon at 2 o'clock (DST) from the late residence, Concluding services at Wolf's Union church. Burial in Wolf's Union cemetery.

the night prowlers realized what was afoot and soon all was quiet.

The police did a good job and many favorable comments were made by local residents. One remark seemed to fit the picture:

"It's a job that one man or two cannot do. The rowdism is so widespread that it keeps the entire force busy breaking it up. However, it shouldn't be necessary to keep the entire force on duty all night. Once these culprits realize that the police will not tolerate the nuisance we'll have less of it. The police have made a good start and they are to be congratulated."

Reports were given by Dr. Robert A. Bream, assistant county superintendent of schools, and by Mr. Baugher on a recent meeting with the Tuberculosis society of Adams county relative to obtaining tuberculosis funds for assisting in providing additional school nurses in the 24 districts which do not have them.

Doctor Bream said the plan was rejected by the association on the basis that the funds should be distributed equally, whether a school district had nursing service or not. Failure to get the money, Dr. Bream said, will probably hold up the nursing and health service program for 3,600 children for a year or possibly two years. The question will be presented at the next annual meeting of the district school board members.

The question will be presented at the next annual meeting of the district school board members.

Doctor Bream said the plan was rejected by the association on the basis that the funds should be distributed equally, whether a school district had nursing service or not. Failure to get the money, Dr. Bream said, will probably hold up the nursing and health service program for 3,600 children for a year or possibly two years. The question will be presented at the next annual meeting of the district school board members.

Although a rain storm prevented completion of games in the Community Softball league Monday evening the West End Aires claimed a 9-0 forfeit in their game with the Ice and Storage on the college field. The Aires were leading when an argument developed and the ice men allegedly left the field. Shortly afterwards the storm arrived.

The Barbers held a 6-5 advantage over the Legion in the third inning at high school when rain brought about postponement of the game. President William McCreaf has called a meeting of league officials for this evening at the engine house at 8:30 o'clock. Among the important business to be transacted will be the discussion of the Monday night forfeit.

# CLARK IS NOT IN MUNY PLAY

**By BEN FUNK**  
Denver, July 23 (AP)—Jimmy Clark, yellow-haired, 25-year-old Californian, was hot after medalist honors today as the 138 golfers remaining in the National Public Links tournament teed off for a second qualifying tour of the difficult Wellshire municipal course. The Long Beach youngster, who shot a 64—lowest medal score on record in U.S.G.A. competition—at the last tournament in Spokane, Wash., in 1941, fired another 64 yesterday to take a five-stroke lead over his nearest competitors. The dry, sun-baked layout, so tough that four men withdrew after testing the first nine, was no problem for Clark, whose irons were near-perfect as he returned to competition after four years of service in the marine corps.

**Sinks 30-foot Putt**  
He hit the pins with four of his approach shots and when a hot putter was needed he had that, too. On the sixth, he sank a 30-footer for one of his seven birdies.

Closest behind Clark as the shot-makers from 30 states, Canada and the Hawaiian islands began the last lap of the 36-holes qualifying test were Buck Gann and Arthur St. John of Tulsa, Okla., who trimmed two strokes off Wellshire's par with 69s.

Altogether, eight players broke par and six others matched it. Sixty-three had 75 or better and 80 had 76 or better, indicating that 150 to 151 would be necessary to enter the 64-man championship flight in which match play starts tomorrow.

**Other Par Scores**  
The defending champion, William W. Welch of Spokane, and Robert C. Clark of St. Paul, the winner in 1940, were in the 73 group and 47-year-old Carl Kauffmann of Pittsburgh, the champ for three straight years starting in 1927, shot a 75. Arthur Armstrong, six-time winner of the Hawaiian open golf championship, set the pace for the four-man delegation from the islands with a 72. The Canadian entry, Rudolph Horvath of Windsor, Ont., shot a 74 and retained an excellent chance to enter the championship round.

# Ewart Will Coach Backfield Of Eagles

Philadelphia, July 23 (AP)—Charles D. Ewart, a former FBI agent and ex-Yale quarterback, is the new backfield coach for the Philadelphia Eagles of the National football league.

Ewart, who starred for Yale in 1935, '36 and '37, will assist Head Coach Earle (Greasy) Neale.

Ewart, who served the FBI in Buffalo, N. Y., and Newark, N. J., resigned last week. He was backfield and kicking coach at Wesleyan university in 1940 and an assistant coach at Dartmouth in 1941.

# Inter State League

(By The Associated Press)  
Doubleheader action was scheduled in the Interstate league today following postponement of all games last night because of rain.

**Tonight's schedule:**  
Allentown at York (2), Harrisburg at Lancaster (2), Hagerstown at Wilmington (2), Trenton at Sunbury (2).

# Lebanon Valley To Play 8 Grid Games

Jerome "Jerry" Frock, coach of the Lebanon Valley college football team, has released an eight-game schedule for the 1946 season.  
October 4—Moravian at Bethlehem, night game; October 12—Dickinson at Carlisle; October 19—American International college at Springfield, Mass.; October 26—Youngstown college at home; November 2—Mt. St. Mary's at Emmitsburg; November 9—Juniata at home; November 16—P. M. C. at Chester, and November 28—Gettysburg college at Gettysburg.

# NEW TRACK HAS LABOR TROUBLE

**By JIM HACKETT**  
Atlantic City, N. J., July 23 (AP)—Operators of the new Atlantic City race track, exhilarated by an opening day crowd of 28,000 persons who bet \$1,381,522, quietly were concerned today about labor difficulties on two fronts.

One situation, concerning payment of bonuses to exercise boys, grooms and blacksmiths, was expected to come to a head tomorrow. The other, a Parimutuel Employees' Union jurisdictional fight, was ready to flare at any moment.

During yesterday's racing, track officials from President John B. Kelly down, turned aside queries with "We've no labor difficulties here."

But, it was Frank Christmas of Upper Marlboro, Md., vice president of the New Jersey division of the Horsemen's benevolent and protective association, who announced his organization and the track officials reached a truce on the bonus payments just as the track opened its gates to the public yesterday.

**Share In Winners**  
And Steven Damico of Atlantic City, president of the New Jersey Mutuel Employees' Guild, Inc., told a reporter that the recently organized AFL Parimutuel Operators' Union, Local 23988, would seek a contract with the Atlantic City owners which would exclude guild members from employment at the new track.

The Horsemen's association sought payment of bonuses from winning purses to be paid by the track to exercise boys and grooms. The association said blacksmiths should receive \$25 for each winning horse they plated.

Weeks before the new track opened, its officials announced any bonuses would have to be paid by owners and trainers and not by the track.

**Last Inning Spoils No-Hit, No-Run Game**

(By The Associated Press)  
"Red" Kaiser just missed a no-hit, no-run game last night as Niagara Falls defeated Erie 6-1 in a Middle Atlantic baseball league game.

Two were out in the ninth inning when Pavlick walloped a bloop over shortstop and Voight followed with a single to score Pavlick.

The Oil City Pirates won their game in the 10th inning to score a 4-2 decision over the Butler Yanks. Goetschall held the Yanks to five hits.

A doubleheader, Johnstown at Youngstown, was postponed because of wet grounds.

# PENNANT RACE IN NATIONAL IS WIDE OPEN

**By JACK HAND**  
(Associated Press Sports Writer)  
World series money will be dangling in front of the Cardinals, Dodgers and Cubs today as they open important engagements in the National league pennant race.

The Boston Red Sox are about "in" if they can play 500 ball the rest of the way in the American league, but the senior circuit still is wide open. St. Louis and Brooklyn come east in an exact tie for first place with identical 53-34 records and the defending champs from Chicago are only five games back and coming strong.

Inability to beat the lowly New York Giants consistently has been an embarrassing to the Cards as failure to stop St. Louis has been to Brooklyn. Mel Ott's gang has trimmed the Red Birds 8 out of 13 and the Brooks have copped only 3 of 12 from Eddie Dyer's crew.

St. Louis, fresh from a successful home stand in which it beat the eastern visitors in 10 of 13 starts to pick up five full games on the faltering Dodgers, opens its next-to-last long road tour in the Polo grounds. Three dates there, followed by another trio with the Braves in Boston leads directly to a July 30-31-August 1 set at Ebbets Field.

**Come Home With Lead**  
Despite the disastrous jaunt, on which they dropped 8 of 13, the Brooks came home with a four-game victory string.

Chicago, like the Dodgers, has been plagued by failure to down St. Louis but has managed to stay in the race by picking on the Giants in 11 or 14 meetings. They're all even with the Dodgers in 14 games and can't afford to drop the series opening in Brooklyn tonight. A year ago today the Cards and Dodgers were tied—but not for the lead. They were deadlocked for second 4½ games behind the Cubs.

The Boston Red Sox sluggers open their western invasion in Chicago, one of six night games scheduled, after yesterday's open date in both leagues. The runnerup New York Yankees play at St. Louis.

# Cherundolo Will Stay With Steelers

Pittsburgh, July 23 (AP)—Officials of the Pittsburgh Steelers football team said last night that Chuck Cherundolo, center, had reconsidered his decision to jump to Buffalo of the All-American conference and will report to Hershey, Pa., for practice with the Steelers.

Cherundolo, a seven-year veteran of pro football, said last February he had joined Buffalo despite a two-year contract with Pittsburgh.

# WILLIAMS LEADS JUNIOR CIRCUIT

New York, July 23 (AP)—Ted Williams of the Boston Red Sox and Johnny Hopp of the Boston Braves continued to pound the ball during the past week with the result that Williams took over first place in the American league's batting derby and Hopp increased his pace-setting National league margin ten points.

Including games of Sunday, Williams had collected 15 hits in 31 trips to the plate during the seven day span to boost his average 12 points to 365 and replace Washington's Mickey Vernon as the top slugger in the Harbridge loop. Vernon, who virtually paced the circuit since the outset of the campaign, dropped to second with 357.

The fast-stepping Hopp banged out 10 safeties in 22 tries to jump his figure to 379, ten points more than possessed by Stan Musial of the St. Louis Cardinals. Musial also was on a batting rampage during the week, rapping out 13 base knocks in 27 times at bat to add nine points to his average and replace Brooklyn's Dixie Walker as runner-up to Hopp. Walker trailed Musial's 369 with a 365 percentage.

**DiMaggio Third**  
Third place in the American league was held by Dom DiMaggio of the Red Sox with 339. Behind DiMaggio are Hank Edwards, Cleveland, 326; Johnny Berardino, St. Louis, 322; Johnny Pesky, Boston, 314; Doerr, Boston, 311; Charley Keller, New York, 309; Luke Appling, Chicago, 308 and Vern Stephens, St. Louis, 305.

After Walker in the senior circuit comes Johnny Mize of the New York Giants with 328; following Mize are Sid Gordon, New York, 311; Enos Slaughter, St. Louis, 309; Phil Cavarretta, Chicago, 308; Red Schoendienst, St. Louis, 306; Pee Wee Reese, Brooklyn, 305 and Del Ennis, Philadelphia, 299.

FIFTY YEARS AGO

Local Miscellany: About sixty ladies made a two hours' tour of the battlefield on Friday evening. Some of the livermores of the town furnished their teams gratis for the occasion. The proceeds, which amounted to \$20—were for the benefit of the paragonage of the Reformed church of this place. The ladies expressed themselves as fully delighted with the trip.

The Presbyterian Sunday School is holding a picnic today at Marsh Creek on W.M.R.R.

Mr. Edward J. Pfeiffer's fine young stallion died Monday night with lock jaw. Mr. Pfeiffer recently paid \$450 for him.

The collection that was taken in the churches of this place on Sunday for the suffering Armenians, amounted to \$91.00.

James McCallan, who works for Mr. Joseph Jacobs, was robbed Saturday night of \$250 and a \$35 check. He also had a lot of gold in his room, but the thief failed to find it.

Geo. W. Lady requests us to state that he is not the contractor for the mason work on the school building, but only superintendent of that work.

Officers Elected: The following persons have been elected officers of the Presbyterian C.E.S.:

President, Mrs. Frances H. Walter; vice president, Mr. George Calvin Cobean; Sec. Miss Mary Monfort; treas., Miss Lizzie McGrew.

Death's Doings: Isalah A. Trostle, popularly called "Col" Trostle, our successful contractor and builder, died suddenly of typhoid fever at his residence on Carlisle street last Thursday afternoon.

Mr. Trostle was born in Cumberland township on May 2, 1858. Being a strong, hearty, robust man, he was noted for his physical strength. He was engaged in the erection of some of our most prominent buildings.

Mr. Trostle had taken ill the week before, but his symptoms had not been considered alarming until a short time before his death.

It seems to be clear that the result of the disease was the effect of drinking water from a well on his premises, as several of his family were prostrated by the disease and five of his employees who were engaged in the erection of Harvey Cobean's house near by, were similarly affected.

He leaves an aged widowed mother, a wife and one daughter, Margie, and two sons, Charles and Mervin—to mourn his loss.

Marriages: Bossmer-Bollinger: July 23, by Rev. David H. Baker, Michael Curtis Bossmer, of East Berlin, to Miss Emma Bollinger, of Reading township.

Hartzel-Lady: July 6, at Hagers-town, by Rev. S. W. Owen, Mr. John H. Hartzel of Cumberland twp. to Miss Ida C. Lady of Franklin twp.

Toot-Read: July 19, at New Chester, by Rev. G. J. M. Kether, Jesse Toot to Miss Katie Reed, both of New Oxford.

Since the decease of Mr. Isalah Trostle, Levi Diehl, his foreman, will carry on the business of contractor and builder. His fitness for all work of that kind will recommend him to the public and it will be his aim and purpose to give satisfaction to all who may engage his services.

Mr. Benner Wins: The hardest fought contest ever waged within the Democratic party in this county has been fought by the combined forces against the leadership of P. H. Strubinger and they won. He put up a splendid battle single handed and went down with his colors flying.

The Globe Hotel, as usual, was the headquarters. The scene was made somewhat gay by the red and white badges worn by the partisans of the aspirants for congressional honors. The Benner badges were plain white ribbons on which were printed the words, "For Congress, G. J. Benner," the Strubinger badges were elaborate red and

Today's Talk

THE DARK CURTAIN

I have experienced my own days of struggle and hope. I have walked a city street with hunger gnawing in my breast. I have made my way through swarms of the multitude, intent upon their pilgrimage, and a mild envy was stirred within me. The dark curtain of uncertainty seemed just before me. But I knew in time it would disappear—as it did, and as it will for anyone with an abiding faith.

That old philosopher of common sense Dr. Samuel Johnson once said: "Poverty is so great an evil, and pregnant with so much temptation, so much misery, that I cannot but earnestly enjoin you to avoid it."

There is so much to do in this world, and so many idling on the job, that it behooves us all to do what we can to encourage everyone whose dark curtain appears so realistic. The great remedy for unhappiness, self-pity, and disappointment is to find something useful—anything—to do. Work is the great medicine for most of our mental and bodily ills.

It doesn't pay to brood upon the past, nor to look upon any darkness of the present, with anything but hope in the heart, and with a will to walk forward. Micawber was always waiting for something to turn up, but it is the job of us all to do the turning up. Bread does not drop from the skies, but it does drop from the sweat of one's brow!

Everything in nature inspires toward activity. Its inhabitants are sturdy. The small and active red squirrels about my island are busybodies, but they eat no more than they want at the time. They then scamper to their nests in the ground, where they store for bitter days. We can even learn from them, for they provide against the dark curtain.

The dark curtain of another war would soon be eliminated if all the nations of the earth would decide to be friends, to get along together justly and honorably, and to cooperate in all their activities. If the UN fails all hope may fade away!

Tomorrow Mr. Adams will talk on the subject: "Nature's Garden"

Just Folks

RHODODENDRONS  
 Rhododendrons seem to me  
 As if homelike they must be:  
 As if all man's care and toil  
 Can't replace their native soil  
 Or conditions, east or west,  
 Under which they flourish best.

Lovely though their bloom appears,  
 I have watched them down the years  
 Strangely sickle, pine and die,  
 Underneath an alien sky—  
 Wanting something, branch and root,  
 Strangers cannot substitute.

Beautiful at home are they;  
 Rich with leaf and blossom gay,

BRITISH PRESS  
 BEING ATTACKED  
 BY SOCIALISTS

By DEWITT MACKENZIE  
 (AP Foreign Affairs Analyst)

For upwards of 300 years—ever since the abolition of the iniquitous star chamber in 1641—England has had a free press which has thundered its beliefs and likes and dislikes as an inviolable right.

This week the new Socialist government will decide whether to inaugurate a royal commission to investigate the charge that some of Britain's great newspapers have been abusing that right. This investigation has been asked for by the National Union of Journalists—newspapermen who are "left"—of their employers politically—and the demand is backed by more than 100 members of Parliament.

The charges relate to the attitude of the "capitalistic" press towards the Socialist government and its program of nationalization. The Socialists accuse the conservative newspapers of "suppressions, misrepresentations and inventions." They say that labor's program isn't being truly presented. They assert that England's great newspaper combines are monopolistic and squeeze out small competitors more friendly to Socialism. They want to know what influence "financial and advertising interests" have on the newspapers.

Await Outcome  
 Some of the newspapers are extending a welcome to the investigation, saying they have nothing to conceal. The majority, however, are against it and hold with the declaration by former Prime Minister Winston Churchill that the members of government are "reaching out their hands against the freedom of the press."

We shall have to await the outcome of the investigation—if there is one—before it will be clear just what its meaning it. If the investigators have any totalitarian ideas about controlling the press, then the government will have picked up a hot potato, for the English public wouldn't stand for it.

Undoubtedly some pretty strong political talk is being bandied about in Britain these days. The Socialists are new in power and they are up against a press which in the main believes in private initiative and not in nationalization of industry.

It also is true that the great English newspapers and newspaper combines are very powerful. Britain is a snug little community and the big papers are pretty well able to blanket the whole nation. The influence of the London Press reaches throughout the country. For example, Lord Beaverbrook's Daily Express is published not only in London but in other strategic cities and claims the tremendous daily circulation of 3,575,000.

Thus it's easy to understand the annoyance and concern of the Socialist government as it tries to inaugurate its new leftist program in the face of a heavy opposition by many of England's leading newspapers. Its concern scarcely can be lessened by the knowledge that its success in the general election of last year was due in no small degree to the fact that many conservatives deserted their party and voted for the socialists because of dissatisfaction with the Conservative government. The Socialists will need those votes in the next general election four years hence.

Abbottstown

Abbottstown—Mrs. Robert Berkeimer, Jr., has been secured as teacher for the kindergarten school which is being started.

Due to a heavy storm which passed over town Saturday night the firemen cancelled the engagement of the New Oxford band. The evening was a financial success. Everything was sold by 11 o'clock and over \$600 was taken in that night.

The Ladies' Aid of Emanuel Reformed church will serve the meals for the Thomasville Stone and Lime employees and families in the Farmers' picnic grove Thursday.

After the Sunday school service next Sunday the members and friends of Emanuel Reformed Sunday school will go to Caledonia on an outing. Each person is asked to take a basket lunch.

York Gas Revises  
 Stock Sale Plans

Harrisburg, July 23 (AP)—A revised plan for new securities to be issued by the York County Gas company, was approved yesterday by the Public Utility commission.

The plan includes liquidation of all the 6,660 shares of \$7 preferred stock held by the firm in the North Penn Gas company, which was sold to Pennsylvania Gas and Electric corporation and the issuance of bonds and notes totaling \$1,900,000 instead of the \$2,150,000 originally proposed.

The company also proposed last May to sell only 3,660 of its shares in North Penn.

Bei Air Race Meet  
 To Open Wednesday

Bei Air, Md., July 23—Thoroughbred horse racing returns to Maryland Wednesday when the Harford County Fair association throws open its gates for ten days sport.

The racing beginning at 2 p. m. (E.S.T.) Wednesday, marks the first of Maryland's summer season of 50 days. It will be the ninth meeting here since 1937. Due to General Manager G. Ray Bryson and his associates desiring to comply with America's efforts in World War II, there was no racing in 1943.

Seven flat races, and a steeplechase will be run daily. The outstanding jumping contest will be the Louis C. Loth Memorial, run in memory of the man, who with William Dupont laid out the steeplechase course here.

GOOD WEATHER  
 DUE FOR FIRST  
 SUBMARINE TEST

By ELTON C. FAY

Aboard the USS Mt. McKinley, July 23 (AP)—Good weather was forecast today for Thursday (Wednesday, U. S. Time) when the first atomic bomb ever touched off below water subjects 75 ships to man-made pressures heretofore undreamed of on earth.

As an "intertropical front" moved off 100 miles to the south, carrying with it the clouds that have hung heavily over Bikini, scientists made up a pool and guessed how many of those 75 ships will perish in the lagoon.

100 Times Greater  
 Associated press science writer Howard Blakeslee reported from the Appalachian that these guesses were not being given out but one scientist said the shock would be 100 times greater than that from the air blast July 1.

The scientists were divided. Blakeslee added, on how much of the bomb's awesome power will go into water and how much into the air.

The guesses ranged from 50 per cent of the power entering the water to possibly 90 per cent of the total nuclear energy released. If the latter figure proves correct the damage to target ships should be terrific.

Dr. R. A. Sawyer, chief of the scientific staff, said there probably would be no flash of light visible in daylight from the underwater burst, and no goggles would be needed.

Huge Water Spout  
 Instead, he continued, a dome of water half a mile wide should rise above the explosion. The dome would be pierced by a water spout going up two or three miles high.

It was disclosed that four men were exposed to radioactivity from two to four times beyond the safety limit in the first test but all are recovering. One was exposed in a plane which drew too near the atomic cloud, another was exposed on the Japanese cruiser Sakawa and two others stayed too long on radioactive ships.

Seek Clarification  
 In Oil Prosecution

Washington, July 23 (AP)—Counsel for 259 oil companies who are defendants in an anti-trust suit filed by the U. S. government in 1940 seek a clarification of the charges.

The suit, filed by the anti-trust division of the justice department, alleges that 22 major oil companies and more than 200 subsidiaries had conspired to restrain trade, monopolize the industry, manipulate prices and maintain other practices to the detriment of the consumer.

War halted prosecution, but the justice department revived the suit last spring.

In a motion filed yesterday in district court here, the defense asks that the government be directed to file an amended complaint stating each allegation of violation separately, specifying which defendant is alleged to have done what and when and where.

St. James Picnic  
 Thursday Afternoon

The annual St. James Sunday school picnic will be held at Natural Springs park Thursday afternoon and evening, it was announced today.

Music for the affair will be furnished by the St. James Sunday school orchestra. The first bus will leave St. James church corner of York and North Stratton streets at 1 o'clock Thursday afternoon for the park. Supper will be held at 6 o'clock. A number of games for youngsters and adults are being prepared by the committee in charge.

MILTON LAWYER  
 MAY BE JUDGE

Washington, July 23 (AP)—Several Pennsylvania Democrats in Congress believe U. S. Attorney Frederick V. Pollmer of Milton, Pa., may get a Federal Judgeship soon.

These lawmakers, who asked not to be identified by name, told a reporter Senator Guffey (D-Pa.) will probably put Pollmer's name up for the new roving district judgeship in Pennsylvania, created by Congress last week in a bill now before President Truman for signature.

Pollmer was a Guffey-backed candidate for the year-old vacancy on the Pennsylvania Middle District Federal court filled last week by the swearing-in of Rep. John W. Murphy, Democrat, of Dunmore.

Guffey declined to comment on the report.

Expects Cooperation  
 The informants said Guffey put up a strong fight inside the party leadership to get a unanimous endorsement of Pollmer for the middle district vacancy but lost out when Senator Myers (D-Pa.) and Pittsburgh Mayor David L. Lawrence, Pennsylvania Democratic national committeemen held out for Murphy.

This time, they say, Guffey will expect the other two to go along with him.

One thing is certain—filling the new vacancy will not take anywhere near as long as finding a successor on the middle district bench for former Judge Albert W. Johnson of Lewisburg, who resigned while a Congressional committee was considering impeachment action against him.

Has Only 90 Days  
 It took nearly 10 months after Johnson resigned in July, 1945, for the top Democratic leadership to endorse Murphy out of a field of nearly 30 candidates.

Under the act passed by Congress creating a new judgeship, the President has only 90 days from enactment of the law "to fill the job. Otherwise, the authorization for an additional judge will expire.

The roving assignment covers all three district courts in the state, and is temporary, which means it exists only during the tenure of the first person appointed to it.

How They Voted On  
 Tidelands Measures

Washington, July 23 (AP)—Here's how Pennsylvania's two Democratic senators—Francis J. Myers and Joseph P. Guffey—voted yesterday:

Both voted for an amendment proposed by Sen. Barkley (D-Ky.) to strip from the Tidelands bill a major provision granting the states title to offshore ocean areas. The amendment was rejected 44 to 35.

Both opposed a bill, approved 44 to 34 by the Senate and which was sent back to the House legislation granting the states clear title to tidelands and land beneath inland waterways.

Hard Coal Output  
 Ahead Of Last Year

Washington, July 23 (AP)—Anthracite production this year is 8.3 per cent ahead of the corresponding period of 1945, but the output of bituminous coal is lagging 19.9 per cent.

Anthracite production through July 13 totalled 31,496,000 tons, compared with 29,008,000 tons in the comparable portion of last year.

The bituminous coal output, however, dropped from 317,403,000 tons to 254,270,000 tons, largely due to the 59-day soft coal strike this spring.

### Pearson Boored, Cheered In South

Atlanta, July 23 (AP)—Intermittent boos and cheers were hurled at Drew Pearson, syndicated Washington columnist, during an anti-Klan speech here Sunday.

Pearson spoke on the steps of the Georgia capitol and his speech was broadcast over a national radio hook-up (ABC). State patrolmen and policemen were present in large numbers.

A crowd estimated at 2,000 assembled to hear the critic of the hooded order lambast the Klan and quote Klan officials as saying key law enforcement agencies in the Talmadge administration would be Klamsees.

Gene Talmadge, champion of "white supremacy," was nominated Governor in last week's democratic primary. The Klan also supports "white supremacy."

Pearson was introduced by Gov. Ellis Arnall, whose legal department has filed suit here to revoke the Klan's charter in Georgia.

### GIVES UP AFTER WEEK OF HIDING

Norristown, Pa., July 23 (AP)—Wounded and delirious, a 25-year-old former serviceman sought for a week in the slaying of his estranged wife and her escort, emerged from a woodland hideout today and was captured without resistance.

Kenneth Hanley stumbled into his home at 7:15 a. m., forced by heavy rains from nearby Six Boys woods where posses had sought him after finding his abandoned automobile nearby.

A relative summoned police. Officers James Burns and Patrick O'Hara found Hanley drinking coffee in the kitchen. He was taken to a hospital.

Hanley's bare feet were swollen badly. He had suffered a gun-shot wound in the left leg. His clothing was torn. Police said he was "in a bad shape."

Speaking incoherently, the ex-GI told captors:

"I had a fight with Skip."  
That was his name for his 22-year-old wife, Helen, who was shot to death in a parked car about 300 feet from the home of Mrs. Hanley's parents, early last Tuesday morning. Detective Sergeant William Bradley said Hoffman named Hanley as the slayer shortly before he died.

### Say Physicians Lack Equipment

Philadelphia, July 23 (AP)—A lack of medical equipment and supplies is hampering Veterans Administration physicians from properly examining and treating disabled veterans, the Service committee of the Department of Pennsylvania, Veterans of Foreign Wars, declared Monday.

The committee made the charge in a report following a survey of VA medical installations in Pennsylvania.

"The VA for many months appealed to medical men to enroll as staff members in regional and sub-regional offices," the report said. "Now the VA has the necessary personnel, but they are unable to function efficiently because of the lack of equipment."

The committee announced it planned to introduce a resolution at the 27th annual encampment of the VFW's department of Pennsylvania which convenes in Philadelphia Thursday "criticizing the Veterans administration and its program of handling disabled veterans."

The delegates plan to discuss veterans' problems dealing with housing, jobs, benefits and medical care. Speakers include Governor Edward Martin of Pennsylvania, Philadelphia's Mayor Bernard Samuel, and U. S. Senators Francis J. Myers and Joseph P. Gueffey, both Pennsylvania democrats.

### Cut Jobless Pay Of 52,000 Idle

Harrisburg, July 23 (AP)—The U. S. Employment Service reported today approximately 52,000 persons were dropped from unemployment compensation rolls in Pennsylvania during June for voluntarily quitting work and other reasons.

In addition, 3,700 veterans were denied servicemen's readjustment allowances under the GI Bill of Rights for similar reasons, said State USES Director A. Allen Sulcove.

### WITHDRAWAL DEADLINE

Harrisburg, July 23 (AP)—Today is the deadline for withdrawal of nominees for the November general election. The state elections bureau reporting 10 Democratic and one Republican candidates nominated for Congress or the state House of Representatives have taken such action.

Withdrawals included that of William J. Davis, Frackville Democrat, for the 12th Congressional district seat.

### FATAL CRASH

York, Pa., July 23 (AP)—Mr. and Mrs. Stuart L. Rupp, of near Hellam, York county, were injured fatally Saturday when their car crashed into a truck-trailer after it jackknifed across the Lincoln highway five miles east of York. Their son, John, 13, suffered a skull fracture and is in York hospital.

### REJECT MARTIN WAGE PROGRAM

Harrisburg, July 23 (AP)—The AFL-Pennsylvania Council of Public Employees pressed demands today for a flat 20 per cent increase in salaries for all 41,000 commonwealth employees, rejecting Governor Martin's stand that boosts will be granted on merit only.

The Governor's policy was described as "inadequate to meet the rising cost of living," but the council reiterated its "no-strike" pledge while pursuing "peaceful and proper negotiations."

Meanwhile, Martin has received a plan for upward revision of state salaries which one source said takes into account both merit and the cost of living, especially where it affects lower paid employees.

The new plan is not the same as the merit increase plan rejected by the AFL union, another administration source said in refusing to disclose other details.

Reuben H. Miller, the union's director of organization, said in a statement the Governor can be "commended in reactivating the commonwealth's personnel policy of granting meritorious increases to state employees but that the council could not accept this action as equivalent to cost of living increases."

The merit increases in the lower wage brackets would amount to \$60 a year, Miller declared, adding: "This now cannot be sufficient to meet the unprecedented rise in the cost of living."

### Rice Asks 25,000 Homes For Veterans

Harrisburg, July 23 (AP)—A \$150,000,000 state authority to build 25,000 homes for veterans at a cost of \$6,000 each is needed in Pennsylvania, says Col John S. Rice, Democratic candidate for Governor, in addition to a state rent control law.

Governor Martin should call a special session of the Legislature immediately to meet the housing crisis, Rice said in a statement, because the only permanent solution to the shortage of homes "is to build houses."

On rent controls, he declared the state should have a law to remain in effect until federal controls are re-established or until the end of the emergency.

### George White Is Bailed In Deaths

San Diego, Calif., July 23 (AP)—George White, 52, Hollywood and New York theatrical producer of "Scandals" girl shows, was free on bail here today after his arrest on charges of suspicion of causing the traffic deaths of a newlywed pair and failing to stop and give aid.

He was accused by State Traffic Patrol Officer Luther M. Hake in the county jail booking, of negligent homicide and felonious failure to stop his borrowed automobile.

White denied the charges last night at his hotel, telling news men that "the first I knew of the accident was when a motorcycle cop stopped me just outside of San Diego" Saturday night.

He was arrested ten miles from where Claude Mc Lester Lee, 42, was killed and his bride, Leona Ann Osborne Lee, 18, was injured fatally on a highway Saturday night. The girl bride had married Lee only a few hours before at Tijuana, Mex.

### Wife Desertion Costs Are Rising

Pittsburgh, July 23 (AP)—The Desertion and Non-support court has become a waiting wall these days, with the wives saying they just have to have more money, and the husbands saying they just can't pay it.

It has something to do with the cost of living. The women say milk and eggs have gone up. The men say their pay hasn't.

"You can't expect a woman to get along today on an allotment granted her six or eight years ago, or even one year ago," said Judge Benjamin Lencher. "The sad part is that most husbands can prove their earnings have not increased."

But, regardless of hubby's earning power, said the judge:

"In the past six months or a year, we've had to grant increases in support money to the majority of the women who appeal."

### Red Radio Scores U.S. Policy In China

London, July 23 (AP)—The Moscow radio accused America today of fostering civil war in China in order to assure economic and political dominance in the Far East, and asserted:

"The Soviet public cannot be indifferent to America's policy in China."

Quoting from a lengthy review on American policy in China by the magazine New Times, the broadcast declared:

"The United States looks upon its economic predominance in China as a legitimate prize of war and upon China as its new economic boundary."

### Chambersburg Man Heads Mail Carriers

Easton, Pa., July 23 (AP)—Michael A. Detwiler of Chambersburg was elected to succeed the late Valentine Clark of Lancaster as president of the Veterans Association of the Pennsylvania Rural Letter Carriers association.

The group, at a convention meeting here last night, also re-elected George Hafer of Chambersburg vice president.

Ralph Schmoyer of Breinigsville was named secretary-treasurer to succeed Walter Lilly of New Albany.
